Project Description

Description Frase (max. 500 characters):

Website for the exchange of local services.

Project Summary (max. 2000 characters):

Our website allows the exchange of local services. On the main map you select an area to find local ads for different services (barber, gardening, tuition, ...). You can request a service according to the available timetable and you send a message to the offerer. After the service was completed it is possible to leave feedback for other users to see.

The project is now in an alpha phase, it is available only in italian and the CMS used (XCE [1], a custom made CMS by me, Xriuk) is outdated, it is now used only for demonstrative purposes.

How long has your project been running?
